

Magnificat Litany

In the Name of the Father...

Holy Mother Mary,

We lift before you the needs of Magnificat Ministry and implore your assistance and blessing.

Grant us your own humility, trust and obedience.

Empower, increase and anoint our visitations to produce fresh fervor and vision.

Give us fruitfulness in old age and grace not to become weary in well doing.

Show us new leaders as they come upon the horizon and give us the graces to exhort and encourage them.

Give us strength and wisdom to navigate troubled waters and arrive at God's perfect will in all that we do.

Prune fruitless endeavors and show us areas where there must be decrease so that Jesus may increase.

Carefully tend our Chapters in Formation.

Watch over our dormant Chapters and empower them for new life in due season.

Empower us to proclaim the gospel in truth and love.

(Mention other specific needs for Chapters or region)

Remember, O most gracious Virgin Mary, that never was it known that anyone who fled to thy protection, implored thy help, or sought thine intercession was left unaided.

Inspired by this confidence, we fly unto thee, O Virgin of virgins, our Mother; to thee do we come, before thee we stand, sinful and sorrowful. O Mother of the Word Incarnate, despise not our petitions, but in thy mercy hear and answer us.

In the Name of the Father... Amen.
