

Magnificat

by Joan Lococo

M stands for the Meal through which we magnify the Lord

A means that we always strive to be of one accord.

G is for the gifts from God used for His glory and praise

N indicates we're a new creation through God's nearness
all our days.

I because we imitate Mary, our model and mother

F is for fellowship we share with one another.

I is for our intercession for intentions far and near

C because we're children of the Church we hold so dear.

A is for the atmosphere of acceptance and of love

T stands for our testimony to the goodness of God above.

Disciples of our Risen King, Who loves us without
measure,

Let all of us in MAGNIFICAT thank Him for this priceless
treasure.
