

## **Come and See Event Follow-up for Chapters in Formation/Inquirers**

- Contact your R4ST to give her an update on your Come and See Event.
  
- Set up a database for the names and contact information you received from the event. Use the database to create a list of those volunteering for particular ministries.  
    Note: The Handbook (*Appendix*) will give you more information on each Chapter Ministry area.
  
- Send a thank you note (email, text, or handwritten) to all who attended the Come and See.
  
- Contact those interested in volunteering for particular Chapter Ministries. Set up a Zoom or have an in-person meeting to discuss the task they are interested in volunteering.
  
- Consider having a monthly prayer meeting using your database to invite all to a Zoom or in-person meeting. With a recurring prayer meeting it helps if it is on the same day each month for consistency – i.e., first Tuesday or third Wednesday, etc. A monthly Rosary is always a good place to start.
  
- Discuss with your R4ST if you need to have another Come and See event in another parish to help spread the word of a Magnificat Chapter being formed.
