

Publicity Ideas for a Come and See Event

- Timeframe: 6 weeks prior to the Come and See event.
- Make a flyer with the information, where and the time that the Come and See will happen.
- Contact the diocese to see if they have a charismatic liaison to get a list of prayer groups. If so send the flyer to them.
- Contact women's groups (women's club, Lady Knights, Acts, CHRP, rosary and prayer groups) in the different parishes and ask them if they can hand out the flyer to their membership at their next meeting.
- You could also ask some of the women's clubs if you could speak at their next meeting and give a brief description of Magnificat.
- Ask your parish and other parishes to put the flyer in their bulletin for two weeks. (Watch time frame for each parish bulletin deadline).
- At your parish ask if you could make an announcement at the end of all masses and be in the back of the church to answer any questions ladies might have as they leave the church.
- If you have a Catholic radio station in your area and or a diocesan newsletter, call them and ask them to do a public service announcement for the Come and See. Most will be happy to do it.
